🇬🇧 QSmart

QSmart is a multi-functional, machine that manages credit and portion control using a cashless, top-up system.

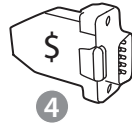

Easy and quick to disassemble and clean, QSmart ensures maximum hygiene for milk-based products.

Thanks to the user-friendly electronics and the patented dispensing system, the QS serves 70-gram, electronically measured portions.

With a soft, attractive design and a customisable body shells, QS furnishes your bar or restaurant in style.
